HELP! I'M TRAPPED!

SHOOT-'EM-UPS!

A

ACTION

"Pounding away for hours is OK, but sometimes a quickie can be better because it's a thrill and stops you getting bored!"

B

BOOTS

"Most girls like dressing up in sexy boots. They really turn guys on for some reason. Now I think about it, they turn the girls on as well!"

C

CAMERAS

"There's nothing sexier than sending filthy pics of yourself to someone! You have to be careful who you're sending to, though!"

D

DRESSING UP

"Dressing up lets you pretend to be someone else – and act hornier than usual! A perfect outfit has to be a bit naughty!" ➔

E **EXTRA-CURRICULAR**
 "Cheating on your partner is wrong, but I can see why people do it because it's a thrill like no other. I'd never do it, though!"

F **FETISH**
 "I love a bit of kinky play, as you might have guessed! Whips, handcuffs and a little bit of spanking are all definites!"

G **GAMES**
 "Strip poker is the ultimate way to get a horny situation going with more than one person. Trust me, it's not far off a full-on orgy!"

H **HOME MOVIES**
 "I think this is more for blokes. Guys love to watch themselves, but girls tend to worry about how they look. Girls, just go with it!"

I **ICE CUBES**
 "Ice cubes are great for teasing nipples. And ask your girlfriend to pop one in her mouth before giving oral sex – you'll thank me!"

JELLY

"Food in the bedroom is great, especially with sweet stuff. Some people like to use jelly, although it can get a bit messy!"

K KISSING

"I love kissing! It's romantic but it can be really horny as well. There's something about a bit of a stubbly kiss that gets me going!"

L LADY-LOVE

"It's no secret that I like a bit of lady-action – it's really amazing. But for me it's not proper sex unless there's a willy involved!"

M MASKS

"If you put a mask on your lady, you can pretend she's anyone. But be warned, she's probably doing the same to you! Ha-ha!" ➡

A-Z OF SEX

NIPPLES

"Girls' nipples are incredibly sensitive. Try pinching them a bit when you're having sex and see what reaction you get!"

O

ORGASM

"I've never had an orgasm with a man! I always have them when I'm by myself though. I've got it down to a fine art!"

**PHONE SEX**

"Phone sex is brilliant. If you're away from your partner, you can imagine they're there and say filthy things to each other!"

Q**QUIET SEX**

"Sometimes you just have to shut up when you're really into it, and those times always seem to be when the sex is best!"

R**RUBBER**

"Rubber's seriously hot and gets me in the mood. The only problem with the dominatrix look is it takes ages to get in and out of!" ➡

S

SPANKING

"All sex should involve spanking. If she's riding you or you're taking her doggy style, give her bum a slap and make her squeal!"

T

TEASING

"You don't always have to go straight in for the kill when you're having sex. Start by teasing her with your fingers and tongue!"

UNDERWEAR

"I love these all-in-one things that you can get now. I like to keep them on while having sex and get full use out of them!"

VALENTINE'S DAY

"I had a pretty disappointing Valentine's Day this year, by my usual high standards – I only got 100 or so cards! Ha-ha!"

WHIPS

"Get kinky by buying your missus a full dominatrix outfit, cuffs and a whip. It's a fine line between fun and pain, so careful what you say!"

X-RATED

"I love porn! Now that you can get it free all over the net, it's great. Whether you're with someone or on your own, porn is just brilliant!"

Y-FRONTS

"To give a girl a thrill, make sure you're wearing decent pants when she pulls your trousers off! Well-filled jockey shorts do the trick."

ZIPS

"Zips can be sexy and, more importantly, they're much quicker than buttons if you're trying to get jeans off for some oral!" ■

"That reminds me – did you buy any eggs?"

Hi Emmas! How well did you know each other before this shoot, and how well do you know each other now?

Emma G: This is the second time we've done a shoot together but I know Emma intimately. We often share a bed after we've been out partying in London. Last week,

six of us girls – me, Rosie Jones, Emma Frain, Rhian Sugden, Leah Francis and Daisy – shared a double bed in a hotel to save money. There were six of us lying back-to-boobs in the spoons position, all hugging each other.
Emma F: I forgot my pyjamas, so I had to sleep naked with Leah's boobs in my face and Rosie groping me from behind!

"WE OFTEN SHARE A BED!"

Emma Glover

Blimey! Do you have funny nicknames for each other?

Emma G: I call Rosie "Wifey" because we tried to get married in Las Vegas. We love each other.

Emma F: All the other girls call me "Chipmunk" or "Alvin" because they say my voice is really squeaky. Apparently, when I sing, I sound like something from *Alvin And The Chipmunks*!

What's your favourite thing about each other's body?

Emma G: I love Emma's legs. She looks really hot in a little dress.

Emma F: I love Emma's stomach. She has a proper sexy six-pack.

What's the craziest thing you've done recently?

Emma F: This shoot. We got into all sorts of positions. At one point, I had her knickers in my mouth!

Emma G: I attended a casting for an advert where I had to do the *Baywatch* run on the spot, so my boobs were bouncing up and down. Then I had to perform the David Brent dance in my undies. And I still didn't get the job!

Tell us your favourite joke.

Emma G: Erm... OK, here's one: How does a Welsh bloke climb down a mountain? Caerphilly!

That's surprisingly good! Tell us something about you that would shock *Nuts* readers.

Emma G: I can fit a whole slice of pizza into my mouth at once!

Emma F: I once tore the tendons in my ankle trying to hide my Rampant Rabbit vibrator. I was in my bedroom, working at my laptop with my legs crossed, and I was feeling a bit fidgety, so ➡

EMMA & EMMA

They drew quite a crowd in DFS

I thought I'd try out my new Rampant Rabbit. But I needed a wee, so I ran to the bathroom with it in my hand. The trouble was, I had a dead leg from sitting down for so long and I fell over, twisting my ankle.

If you could be any celebrity for the day, who would it be?

Emma G: Ashley Cole, so I could see what it feels like to be such a bell-end!

Emma F: Russell Brand before Katy Perry, because I'd love to know what it's like to be a guy and have sex with loads of women. I'd love to pull Megan Fox. She has an amazing body and really big, kissable lips. I bet she's good at doing other things with her lips, too!

What other things?

Emma F: You know, blow jobs! I'd love to see what that feels like because you boys always seem to enjoy them so much.

Thanks, ladies. Finally, what's your favourite rude word?

Emma G: Whorebag! It's an affectionate term for my mates when they're being a pain!

Emma F: I like the word "fairy" for a vagina because it makes it sound magical. ■
